

Meet Maven. Free virtual support for family building, pregnancy, and postpartum.

Maven is included at no cost as part of your Harvard Pilgrim health plan. With Maven, you get personalized 24/7 care and guidance for your path to parenthood and beyond—when you need it, how you need it (yep, even at 2am).

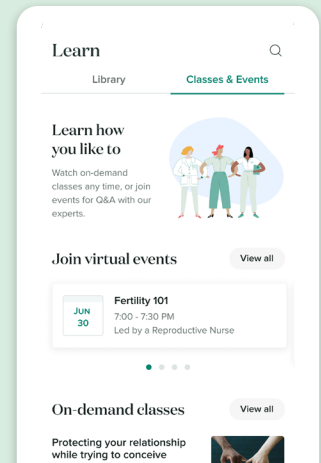

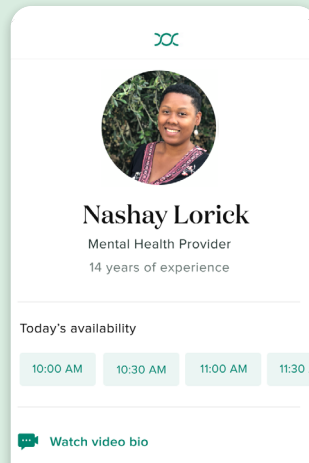

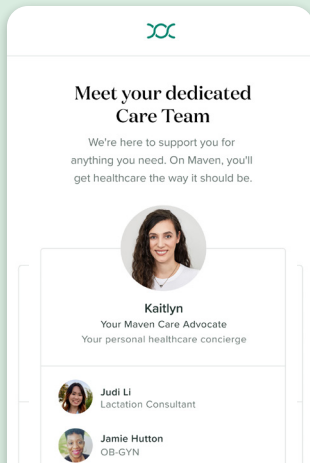

Here's what you and your partner get with Maven

24/7 personalized support from a dedicated Care Advocate

Virtual appointments and messaging with providers—any time day or night

On-demand classes groups and articles for expert guidance you can trust

At Maven, we're with you every step of the way

From thinking about starting a family

- Learning about cycle tracking
- Exploring fertility treatments (IUI, IVF and egg freezing)
- Understanding your conception options

to trying to get pregnant

- Navigating your fertility benefits
- Getting a second opinion
- Choosing a surrogacy or adoption agency
- Managing your mental health

to having a child

- Creating your birth plan
- Breastfeeding or bottle feeding support
- Navigating infant sleep
- Returning to work

Maven Clinic is a business associate of Harvard Pilgrim Health Care, Inc. (HPHC). Maven care coordination and coaching services are offered to HPHC members and their dependents enrolled in certain employer sponsored health plans at no additional cost in connection with a pilot program. The pilot program is subject to change and may be discontinued at any time. Those members who opt-into the pilot are eligible to receive Maven services for 12 months from the date of enrollment.
