You must be enrolled for dental coverage before the 4th quarter of the plan year (10/1-12/31) and your paid claims must not exceed the maximum "threshold" amount.

Your calendar year maximum benefit amount.	If your total yearly claims don't exceed this threshold amount...	Then you can roll over this amount to use next year, and beyond.	Your accumulated rollover total is capped at this amount.

- Ask your dentist to submit a pre-estimate to Delta Dental for any procedure that exceeds \$300.00. This will help you estimate in advance any out-of-pocket expenses you may incur and will confirm that the services you're having are covered under your dental plan.
- Dependent Eligibility: Eligible dependents covered through the end of the month in which they turn age 26.
